

RCMGA Membership Meeting

November 6, 2018

“Fall into Spring!”

Presented by Jackie Jordan, Clemson Extension Agent and
Master Gardener Coordinator

Layering

Jackie will present techniques of root pruning and air layering so that you can successfully transplant and propagate in your own garden. These skills will also be handy in the successful moving of plants to the new Sandhill Children’s Garden.

Credit: 1.0 hour of Continuing Education credit for certified Master Gardeners. (Intern Members are encouraged to attend monthly programs and log hours, but CE programs do not count toward the 40 Educational Service hours required for certification.)
